

CAREER OBJECTIVE:

A challenging position in a progressive organization where I can utilize my creative skills to create functional and aesthetic buildings and interiors. I have also developed a keen interest in teaching and would like to teach young design aspirants.

EDUCATIONAL QUALIFICATION:

Bachelor in Architecture from University of Pune.-2000

WORK EXPERIENCE:

- Currently I 'am teaching as visiting faculty at CAID ,BNCA . I teach Services and Construction to 2nd year and 3rd year.
- Teaching as a faculty in Suryadatta Institute (SIVAS) for B.SC (INTERIOR DESIGN) and Bachelor of Design. I have taught Interior Construction , Graphic Design and Interior design to 2nd year and 1st year of B.SC (Interior Design) and B.Des.
- Revit Certification from Autodesk: I completed the Revit certification course from Autodesk.From June 2015 to July 2015.
- Vastushastra with Vastu Raviraj , where I learnt metaphysical science followed by our ancestors , the scientific reasoning behind locations of certain activities in our premises. This was a six month course which gave me an insight to the importance of positive energy which can be attained around us. From June 2014 to December 2014.
- I was in USA for 3 years -2011 to 2014, I volunteered in Primary public school (Southside Elementary School, Columbus, Indiana).
- I was working with Architect Aparna Karmarkar as senior architect, my role here was to develop design concepts for farmhouse projects, make 3-d presentations in Sketch up , presentation drawings, working drawings and record drawings for the projects.I worked here from January 2011 to September 2011.
- I took a maternity break from June 2007 to 2010 during which I have worked on various personal projects like interiors of flat, bungalows, renovations of bungalows right from concept, submission to PMC to working drawings.
- I was at Neilsoft in Pune, where I was working as an Architect & my responsibilities in the architectural department included understanding the client requirements and providing architectural solution based on international norms and standards.
Tenure at Neilsoft was from September 2006 to June 2007.
- Before April 2006 was working in an architectural firm, Dhananjay Datar and Associates, as a Senior Architect looking after design development, sanctioning and execution related projects for residential and commercial buildings as well as interiors.
Dhananjay Datar and Associates is an architectural firm headed by Arch. Dhananjay Datar.The firm focuses on design and detailing of the product (building) to give complete customer satisfaction within the constraints of cost, quality & delivery.

Contact: Flat no. 501, Building no A-4, Aditya Shagun, Near DSK Ranwara, Bavdhan, Pune.

(m) 9168147766. e-mail-meenalpkale@gmail.com

SKILLS DEVELOPED:
